FRIDAY MORNING, - - - JUNE 18.

Congregational Church opposed to the Coune of the American Tract Society.

Last week we noted the fact that the Michigan Association had repudiated the pro-slavery position of the Tract Society; since which we have received the gratifying intellegence that the general association of Illinois has passed a series of resolutions strongly condemnatory of the same thing, and recommend to the churches to discontinue their contributions, for the present. About eighty ministers were present and their action were marked with perfect unanimity.

Du. C. W. Ronack:—I have received so much enalt from your Scandinavian Blood Purifier and Blood Pills, that I have thought it my duty, and t is no less my inclination, to give you a plain statement of my case. I was for years afflicted with that bane of all comfort, and inefficiency in business, dyspepsia. To recapitulate all the so-called remedies which I have used to rid myself of this disease, would indeed make a melancholy catalogue. I also consulted with the best physicians I could hear of. I was induced to try your remedies through the persuasions of friend, and after using them a few days was greatly benefitted, and in a short time, less than a month, I was entirely and permanently cured. I was also afflicted with he most violent nervous headache, which I supse was produced by my disordered stomach, for chen my dyspepsis lett me, my headache left with I now feel better in every respect than I have

CINCINNATI, Friday, Sept. 4, 1857. Du, Ronack-Dear Sir: Having been afflicted with neuralgia or rheumatism for the past year and a half, and having seen year medicine, called the Scandinavian Blood Purifier, highly recommended by gentlemen with whom I am acquainted. I was induced to try it, but before I had used various other medicines. After using two bottles, I felt its effect very sensibly, and upon using two more, I found myself perfectly cared. You will allow me, therefore, to congratulate you upon making a discovery in medicine which is proving it-self to be a worker of such wonders in the discaso of the human family,
